Welcome to the 7th annual Battle in the Bluegrass!

On behalf of the Bluegrass Sportsmen's League Pistol Division, thank you for coming out for another BITB! Much time and effort has gone into the preparation, set-up, and organization of what we affectionately call this "big little match". This year's stages and prize table are yet again exactly what they're known for- fun, and high quality. We ask that each competitor shoot safe, have a great time, and help the staff keep things moving smoothly.

Whether you're a veteran of the sport or just starting to get your feet wet, you know what an integral part businesses who cater to or support shooting sports are to this world. We had an outstanding response from sponsors this year and would like to say a big "THANK YOU" to all of them for helping make this match happen. Please take note of these individuals and companies throughout the weekend. Let them know through sales and emails your appreciation of their support of you the shooter, and all the matches like this one that they play such an important role in.

Last but not least, we would like to "Thank YOU", the competitor, for taking time out to come shoot this match. We hope you enjoy this range as much as we do. So good luck, shoot straight, and have fun!

Sincerely,
Your Match Staff

Host Club & Range Facilities

2500 Handy's Bend Road, Wilmore, Kentucky 40390
859-858-4060

Restrooms...Portable toilets are located conveniently around the range. A bathhouse is located at the top of the hill coming from the General Purpose Range to Pit 1. There are also restrooms located in our Main Clubhouse.

Parking...Competitors may park in the areas marked on the range map as "parking". GUN HANDLING IN THE PARKING AREAS IS PROHIBITED. Safe areas will be available at all Pits to bag and unbag guns.

Food Services...Lunch will be available on the range during match hours both Friday & Saturday. Dinner (or 'supper' around these parts) will be available Saturday evening before Awards.

Spectators...Everyone must wear eye and ear protection while on the range. Climbing on berms is not allowed. Children must be under the direct supervision of a parent or guardian.

Speed limit...BGSL roads have a posted 20mph speed limit. Please remember that all other areas of the club are still open/operating during the match weekend.

Match Briefing

THESE POLICIES ARE JUST AS IMPORTANT AS THE RULES. YOU ARE EXPECTED TO READ AND UNDERSTAND ALL THE CONTENTS OF THIS MATCH PUBLICATION. QUESTIONS WILL BE ANSWERED AT THE SHOOTER'S MEETING.

COLD RANGE... Bluegrass Sportsmen's League is a cold range. Firearms will not be handled anywhere on the range except in the designated safety areas or under the direct supervision of a certified Range Officer. **GUN HANDLING IN THE PARKING AREA IS PROHIBITED.**

SAFETY AREAS... Safety areas are located around the range to holster or bag guns, as well as for dry fire practice and gun repair. **NO AMMUNITION** may be handled in any safe area.

RULES... The match will be run using the current edition USPSA Practical Shooting Handbook.

OBEY YOUR R.O.'S... Range Officers are here to assist you in completing a safe shooting contest. If there are indications that you are becoming unsafe, attempts will be made to warn you. If your gun handling has become unsafe, you will be stopped. When you hear STOP!, FREEZE!, with the gun muzzle pointing safely down range, finger outside the trigger guard, safety on, and await further instructions.

SET STEEL & TAPE TARGETS... Competitors are expected to stay together as a squad, and to tape targets, set steel, and help maintain efficiency on each stage.

LOST BRASS... This IS a lost brass match and as a matter of efficiency, all brass collected from the Bluegrass Sportsmen's League range should be deposited in the designated range pail. Brass is distributed to the range officers in consideration for their hard work.

SCHEDULING... Competitors must compete for score according to the published match and squadding schedule. A competitor who is not present at the scheduled time and date for any stage may not attempt that stage without the prior approval of the Match Director, failing which the competitor's score for that stage will be zero. (6.5.1). Occasionally, stages will clear squads early. If your entire squad is available and the CRO approves, the squad will be allowed to shoot ahead of schedule only on the scheduled date.

INSPECTION... When the entire squad is assembled, a stage walk-through will be given, followed by a five-minute inspection and question period. Only shooters in the current scheduled squad are allowed on the stage. Early inspection of a stage is permitted by competitors only if a squad is not currently on the course of fire or getting ready to begin it. Do not operate any of the moving targets or props that activate such movers. If the RO staff is present on a stage, please extend to them the professional courtesy of asking before inspecting the course of fire.

HAZARD AREAS... Safety flagging will identify areas beyond which competitors and spectators are prohibited for safety reasons.

EYE & EAR PROTECTION... Everyone must wear eye and ear protection while on the range.

Match Briefing

D.Q. POLICY... Violation of safety and sportsmanship rules anywhere on the Bluegrass Sportsmen's League Club facility will result in match disqualification.

IMPENETRABLE... All targets, no-shoots, vision barriers, and hard cover zones are impenetrable to a full bullet diameter. Bullet holes that are partially or fully in the non-scoring border will score according to the circumstance. "Unless specifically described as 'soft cover' in the written stage briefing, all props, walls, barriers, vision screens and other obstacles are deemed to be impenetrable 'hard cover'." (9.1.6).

TARGETS... Cardboard IPSC targets, Cardboard "Classic" targets, Pepper Poppers, US Poppers, and plates of various styles and sizes are used in this match. No-shoot targets are white.

METAL TARGET CALIBRATION... If a steel target has failed to fall and appears to be out of calibration, challenge it during the scoring. It will be checked and if recalibrated, a reshoot is required for that stage. If a popper has been shot down, it is asserted to be calibrated. The calibration ammunition, as fired through each designated handgun, is chronographed to a power factor between 115.0 and 125.0.

HANDICAPPED SHOOTERS... Competitors may request a penalty in lieu of the stated course requirements by reason of incapacity of previous injury. This must be requested prior to shooting the stage. The Range Master or the CRO only will accept any such requests and the RM will make the decision as to what penalty will apply.

ARBITRATION... Arbitrations are initiated with the presentation of a \$75 cash fee and the completed arbitration form delivered to the Match Director or Range Master within one hour of the incident. Forms are available from Shooter Services. Appeals will not be accepted after the one-hour filing time has lapsed. Please read and comply with the provisions of Chapter 11 in the USPSA Handgun rulebook before filing.

COMPETITOR AGREEMENT... By competing in this event, you attest that you have read, you understand and you agree to comply with the match rules and regulations as stated above and in the current edition of the USPSA rule book.
