Written Stage Briefing

Bay 2 – The Lightning

Welcome to Stage 2, the Lightning.

The P-38 Lightning was a high-altitude interceptor with heavy armament and a high rate of climb. 9,900 Lightnings were produced. A large and powerful aircraft, it served as a bomber escort, a tactical bomber, and a photo-reconnaissance platform.

The **Lightning** is brought to you by _____.

Description:

The Lightning is a 26 round Comstock course of fire. There are 12 classic IPSC targets and two poppers. The poppers activate non-disappearing swinging targets. The best two hits per paper target count for score, steel must fall to score.

Starting Position:

Handgun: Standing outside shooting area, toes touching marks Handgun is loaded and holstered, hands are relaxed at side with wrists below belt.

PCC: Standing outside shooting area, toes touching marks PCC is loaded with safety on, stock touching belt, muzzle pointed down range.

Stage Procedure: On start signal, engage targets as they become available from within the shooting area.

Are there any questions?

You have three minutes to examine the stage.

As a reminder, if you are not the next shooter or the shooter who has just completed the course, please help in resetting the stage. It will make for a better day for everyone.
