The 2022 Nighthawk Custom Regional Championship

WELCOME FROM THE MATCH STAFF

Competitors: Welcome to the 2022 Nighthawk Custom Regional Championship hosted by Redbrush Rifle Range and Indiana Defensive Pistol Shooters. We are very happy to be able to provide you once again with an awesome, and safe, shooting experience. All of those involved have put forth a great effort to provide you with a high-quality match that will be both fun and challenging. By choosing to be competitors, you are showing us great support and appreciation for our hard work, and we sincerely appreciate it.

We have a staff that is highly knowledgeable, professional, and courteous. We will be fair and will make all calls based on the letter of the rules. As such, we expect our competitors to be equally courteous. We all know that everyone working is a volunteer and without them we wouldn't get to enjoy our passion for the sport in the same way. Therefore, we ask that no competitor under any circumstances be disrespectful or belligerent to any member of our staff. If for any reason you have an issue with a staff member, immediately ask to speak to the match director. I assure you he will be happy to converse with you.

Please pay attention to the info listed below. It contains everything you need to know about the schedule of events. Please also make note of all our great sponsors and do your best to patronize them. They have once again been generous enough to provide us with some awesome prizes that will be drew for and dispersed once the match begins. We will once again be selling tickets for the Nighthawk Handgun giveaway. This year we have an awesome GRP done in 45ACP. Tickets will be \$5 each or five for \$20 and you will have ample opportunity to purchase them throughout the day. Every registered shooter, that is present, receives one free entry. Small snacks and water will be available throughout the day and a late lunch will be provided at the conclusion of the match.

We would like to thank our sponsors:

Nighthawk Custom

Underwood Bullets

Whittaker Guns

American Eagle Tree Service

Mark's Cerakoting

Glover Designs

Master-Tac Custom Holsters

VooDoo Tactical

Otis Technologies

ZClear

Hunters HD Gold

We can't wait to see everyone on the 6th. Thank you once again for your participation and we sincerely hope that everyone has an enjoyable match.

Sincerely,

The 2022 Nighthawk Custom Regional Championship Staff

From the Match Director Brad Eadens:

To the Staff:

The importance of being surrounded by the right people is priceless. It greatly contributes to ones, or an events, success, or failure. I can't tell you how fortunate I feel to be surrounded by individuals who are as passionate about something as I am. To Steve, Mark, Kevin, Tim, Pete and Dave, you guys are great people, and no MD ever had a better senior staff. Thank you guys so much for your tremendous effort. I would have no desire to be an MD without you. To the staff members that I don't see as often; your efforts are equally appreciated, and I can't thank you enough for what you do not only for our match, but for the sport. I hope IDPA, and the membership, truly understands how lucky they are to have individuals like you all, who are dedicated to the success of the sport and are willing to put in the countless hours of volunteer time it takes to ensure that these matches will continue. I hope you all have a successful match and are able to enjoy yourselves. Once again, thank you.
