WELCOME

I want to thank you for coming out and attending this year's Handgun Nationals. We have worked closely with the Cardinal Shooting Center to bring you a fun and challenging match, as well as having programmed some exciting sponsor displays and a Shoot Sig Event at the range.

Our headquarters staff and volunteers are very happy to see you at the match. They put in a considerable amount of work getting this set up and they do this with a lot of care and love of the game. Please take the time to thank them as you shoot the stages.

While this was originally titled the "Iron Sight Nationals", we brought in the new provisional division Limited Optics, which resulted in the name change to "Handgun Nationals". USPSA has always been at the forefront of handgun competition and development, and this new division represents some of the latest trends in both competition shooting and self-defense equipment. I think including the newest division with our traditional divisions such as revolver and single stack, is a bridge between our roots, and our future.

Whether you still shoot iron sights like me, or use an optic, this match is going to be a great one, and I look forward to seeing you all on the range.

Have a great match, be safe, have fun.

Ted Murphy,
USPSA President

COLD RANGE: The Cardinal Shooting Center is a cold range. Firearms will not be handled anywhere on the range except in designated safety areas or under the direct supervision of match staff. Handling firearms in parking areas is unsafe gun handling.

SAFETY AREAS: The range is equipped with a number of safety areas to bag and holster guns, for dry fire practice and gun repair, etc. No ammunition may be handled in any safety area.

PARKING AREA: Competitor parking area is designated on the map. Competitors are not allowed to park next to the bays.

RULES: The match rules are found in the current edition of the USPSA Competition Rules.

OBEY YOUR ROs: Range officers are here to assist you in completing a safe shooting contest. Please comply with their

requests. Please bring any issues to the attention of one of the Range Masters.

SET STEEL AND TAPE TARGETS: Competitors are expected to stay together as a squad to tape, set steel, and help maintain efficiency on each stage.

LOST BRASS: All brass is donated to the staff.

ALCOHOL: Alcohol and recreational drugs may not be consumed anywhere on the range. Competitors violating this policy will be disqualified and asked to leave the range.

DRESS CODE: Practical shooting is a sport. The match director will be the final arbiter of dubious taste.

SCHEDULING: No competitor will compete for score on other than the scheduled dates (6.5.1). Occasionally, stages will clear squads early. If your entire squad is available and the CRO approves, the squad will be allowed to shoot ahead of schedule, but only on the scheduled date.

INSPECTION: When the entire squad is assembled, the written stage briefing will be read. This will be followed by an inspection and question period. Shooters may negotiate obstacles only during this inspection period or while the previous shooter's targets are being scored. Early inspection is permitted by the squad next scheduled to shoot a stage, providing that the previous squad is finished, you report to the range officer prior to inspection, and time permits.

RANGE OPENING: The range is closed to all competitors prior to the scheduled start time of the staff match Oct. 4th at 8:00am. The range will close each day at 6:30pm. Competitors may inspect the stages when they are available, but may not activate, set, or reset any moving targets or activated props. Competitors are not allowed to inspect the stages until the range has been opened. The sight in bays will be available Oct. 5th

from 1:00 – 5:00pm and Friday, Saturday and Sunday from 7:00am till 5:00pm.

HAZARD AREAS: Orange cones and/or safety flagging may be used to restrict certain areas of the range. For safety reasons, competitors and spectators are prohibited from going past these markers without permission.

EYE AND HEARING PROTECTION:

All competitors must wear eye and hearing protection during the course of fire. Eye protection is required to be worn by everyone while on the range. If you do not have adequate eye protection, please see the Range Master.

CHRONOGRAPH:

Competitors will report to the chronograph at the scheduled time for their squads (see squad schedule). If you fail to report to the chronograph for the scheduled test or after a random sampling, your scores will be removed from the match (App. C2, 42).

- At the chronograph station, do not handle your gun until instructed by the CRO.
- Certified Match Ammunition (App C3) must be declared at registration, the **Certified Ammunition Declaration** completed and turned in with your eight sample rounds. Competitors declaring Certified Match Ammunition will still follow the Chronograph procedures (App. C2)

MATCH SCORING: The championship will use PractiScore. If you have scoring questions, first check your math, then take your score card copy to Stats to remedy the problem.

AMMO SHIPPING

Here's some information for shipping your ammunition to the Cardinal Shooting Center.

Shipping location:

"Your Name"

Red Feather Outfitters

Attn: Jim Henderson

USPSA Nationals C/O Jake Martens

3547 County Road 225

Marengo, OH 43334

NOTE: DO NOT SHIP AMMUNITION BY THE UNITED STATES POSTAL SERVICE! IT IS A VIOLATION OF FEDERAL LAW TO DO SO, AND YOU WILL BE LIABLE FOR ANY LEGAL ISSUES. WE ARE CONSIDERING NOT RECEIVING ANY AMMO SHIPPED THROUGH THE POSTAL SERVICE, AND THEIR CARRIERS MAY DECLINE TO DELIVER IT. YOU MUST SHIP BY COMMERCIAL CARRIER, UPS OR FEDEX OR ANY OTHER CARRIER THAT WILL SHIP AMMO—NOT THE USPS.

- 1) Use a very sturdy box and lots of tape. Ammo is heavy and the carriers will not treat that box like a carton of eggs. Do not place ammo inside the box loose; use plastic or cardboard boxes with separators designed to hold ammunition. That's usually a requirement for all commercial carriers. Place lots of padding around the ammo boxes. **DO NOT SHIP IT IN AN ENVELOPE.**
- 2) Put **YOUR** name and "USPSA Handgun Nationals" on the outside of the box, in big, **bold** letters, and covered with clear tape. *Put it there in at least 3 different locations.* In addition, insert a business card, or a small piece of paper inside the box with all of your contact information. Some boxes get damaged in shipment, making the outside illegible. The information inside will help determine who the owner is, and allow them to contact you should some of your ammunition be lost due to damaged packaging.
- 3) UPS/FedEx will ship ammo, ground only, if it's properly marked with an ORM-D Label. Be sure to package your ammo securely in boxes designed to hold ammunition, and use a sturdy box and lots of tape. Most UPS stores and FedEx Office will not accept ammo shipments; you can hand them to a route person, schedule a pickup, or take them to a UPS/FedEx depot/service center.
- 4) Ship your ammo in time for it to arrive prior to the match. It must go ground, per **UPS** and/ or **FedEx** regulations, so give it time to get there. Again: **NO AMMO BY US POSTAL SERVICE.** The people at the Cardinal Shooting will collect your ammunition and store it until USPSA personnel are on the ground at the range. We(USPSA)will distribute it at or around registration or during the match. It will be better if you collect your ammunition during registration periods so that we can assure that we have people on hand to distribute it. You may be required to sign for any ammunition you pick up. If you want to collect your ammo at times other than registration, you may experience a delay in getting it until someone is free
